Subject: RE: CERCLA Off-site rule question: Clean Harbors Incinerator in El Dorado, Arkansas

Good morning Joyce, the facility mentioned in your email, Clean Harbors El Dorado, AR (EPA ID #ARD069748192), is acceptable for CERCLA waste. Will you send me the name and location of your site, along with the waste and approximate amount you have destined for El Dorado, AR?

Thanks in advance!

Subject: CERCLA Off-site rule question: Clean Harbors Incinerator in El Dorado, Arkansas

Dear Ron – I am an OSC in Region 8 and have a removal action underway. The contractor has proposed using the Clean Harbors incinerator in El Dorado, Arkansas, as a disposal facility. Could you let me know if that facility is acceptable pursuant to the CERCLA Off-Site Rule?

Thank you!
